Intellectual Property Studies | CEIPI

University of Strasbourg

The course is organised by the Center for International Intellectual Property Studies (CEIPI) at the University of Strasbourg and has been held successfully and attracted many participants over the last ten years. The lecturers are chosen from those of the CEIPI and IP specialists including Academics, Patent and Trademark attorneys, Attorneys-at-law, as well as a member of the EUIPO management. The summer course will be held over 11 working days, from Monday July 1 to Friday July 12, 2019. The course aims to provide an academic and practical overview of the IP-related aspects of the legal system in the European Union, as well as giving concrete ideas about IP litigation in Europe. The course is directed mainly at students and practitioners who want to acquire the basics of the European IP system, but also to practitioners in legal and R&D departments of European companies who want to better understand the European IP System. Focus will be given on proceedings before the EPO and before the EUIPO, as well on national laws of the three key countries involved in IP in Europe.

SUMMER SCHOOL ON IP IN EUROPE

The course is organised by the Centre for International Intellectual Property Studies (CEIPI) at the University of Strasbourg.

The lecturers are chosen from those of the CEIPI and IP specialists from various European countries including Academics, Patent and Trademark attorneys, as well as EPO examiners.

The summer course will be held over 6 working days, from Monday July 6 to Saturday July 11, 2009.

The course aims at providing an academic overview of the IP-related aspects of the legal system in the European Union, as well as giving concrete ideas about IP prosecution in Europe.

Focus will be given on prosecution before the EPO and before the OHIM, as well as on national laws of the three key countries involved in IP in Europe.

The enrolment fees are: 1 000 €

Participants number are limited and only a few places are still available.

More information can be obtained from Rosemarie Blott at:
