# Pre-recorded sessions

The **pre-recorded sessions** are short videos designed to prepare and to **lay the foundations** for the synchronous sessions. They will provide an overview of the different intellectual property rights (IPRs) as well as specific topics. These videos will **enhance the learning experience and interactivity of the live sessions** as participants will have **acquired beforehand the key concepts and principles of European IPRs** to enable them to ask targeted questions to the speakers. This format offers participants **greater flexibility and convenience through self-paced learning**. Most of the following themes include several videos with a total duration of approximately **14 hours of content**:

## Pre-recorded sessions topics

**IP Basics : Overview of the main IP rights and their validity assessments**

**Claim of ownership of IPRs**

**IP Basics : Glossary**

**Trade mark rights examination cases in Europe**

**EU Law Basics**

**Design protection in Europe**

**Introduction to trade marks**

**Patent examination practices in Europe and EPO's proceedings**

**Introduction to designs**

**Special topic : Patents in the pharmaceutical industry**

**Introduction to patents**

**Special topic : Artificial intelligence and IP**

**Introduction to copyright**

**Special topic : Standard essential patents**

# Practical information

## Dates

From 29 June to 9 July 2022

## Timetable for synchronous sessions

From 10:00 to 17:00\* CEST to allow participants from different time zones to attend.

Courses will take place on-site in Strasbourg or online via Zoom according to the participant's choice.

\*Saturday July 2<sup>nd</sup> 2022: 10h00-16h30 / \*Saturday July 9<sup>th</sup> 2022: 10h00-12h45 (online) / 10h00-14h00 (on-site)

## Pre-recorded sessions

Pre-recorded asynchronous study sessions, covering approximately 14 hours of content, will be available prior to the synchronous sessions.

## Participants

The Summer School is open to students and professionals who wish to acquire the fundamentals of the European intellectual property system, including professionals in the field of intellectual property law, researchers as well as to European and non-European lawyers, whether or not specialised in IP law.

## Language of the training

English
