**INTERNSHIP – Jurist in intellectual property**

The CEIPI (Centre for International Intellectual Property Studies), a department of the University of Strasbourg, educates specialists in intellectual property law by organizing various courses. With its 50 years of experience, excellent pedagogical tools, a body of instructors composed of professors, acknowledged legal practitioners from national, European and international backgrounds, the CEIPI is, today, recognized in all circles as one of the most important academic centres in Europe for education and research in intellectual property law.

We are looking for a **legal intern expected to advance the educational and research missions of the CEIPI**.

This internship can be taken while studying for the bar exam.

**Main duties**

- Participating in the development of research activities particularly in the field of intellectual property (European and international research projects) : document research, drafting of notes (French and English), legal translation, etc.
- Participating and supporting in the organization of the activities of the department (educational and research)

**Profile (education, technical skills, experience)**

- **Degree** : Master 2 preferably in intellectual property law or in other areas of business law
- **Languages** : a very good command of English (oral and written), a good command of German would be an asset
- **Experience** : prior professional experience would be appreciated (ie. an internship in a legal field)
- **Software** : Word, Excel, Powerpoint

**Assets / Skills required**

- Dynamism
- Good interpersonal skills
- Team spirit
- Methodical
- Independence

**Conditions**

- Position Needed Immediately
- **Site** : CEIPI – Université de Strasbourg – 11, rue du Maréchal Juin – BP 68 – 67046 Strasbourg Cedex
- **Remuneration** : 12.5% of the legal hourly limit (about 436 euros net/month-full time)

**Application**

Please send your CV as well as a cover letter to:
