

INFORMATION ON EXERCISING THE RIGHT OF WITHDRAWAL

For individuals who have signed a training contract

You have the right to withdraw from the contract you have signed without giving any reason within fourteen days. The withdrawal period expires fourteen days after the day on which the contract is signed by both parties.

To exercise the right of withdrawal, you must notify us of your decision to withdraw by means of an unambiguous statement (letter sent by post, fax or e-mail) to the attention of the training assistant.

You may also use the model withdrawal form below, but this is not compulsory.

For the withdrawal period to be respected, all you need to do is send your notification concerning the exercise of the right of withdrawal before the withdrawal period expires.

Effects of the withdrawal

If you withdraw from the contract within fourteen days, you will not be charged a withdrawal fee.

If you have followed the training or part of the training during the withdrawal period, you will be charged a proportion of the total services provided up to the time you informed us of your withdrawal from the contract.

MODEL WITHDRAWAL FORM

Please complete and return this form only if you wish to withdraw from your contract within fourteen days of it being signed by both parties.
