OVERSEE AN IP PORTFOLIO IN A LEADING GLOBAL COMPANY

Imerys is a global leader in the supply of minerals, carbon and graphite to a vast array of industry users. The company has been established for over a century and it has evolved its technologies with the changing needs of its customers, whilst also increasingly addressing the need for sustainable solutions. To further enhance the IP legal team, Imerys is looking for a dedicated European Patent Attorney for its Refractory, Abrasives and Construction (RAC) segment, to take ownership for all IP related matters and to help to create a strategically enhanced patent portfolio.

-  Join a company on a mission to evolve sustainable mineral solutions for a long-lasting future.
-  Become an IP expert within the company, having autonomy to lead developments with patent matters and be key in managing and implementing an IP strategy.
-  Seize an industry opportunity where you can truly make your mark as a Patent Attorney, gaining career defining experience and impact!
