Basic Training Course In European Patent Law

KÖLN 2022-2023

Tutors:

The tutors of the CEIPI International section are recognized for their expertise in the field of intellectual property and are mainly European patent attorneys (working in industry or in private practice patent firms), but can also be agents from the European Patent Office, the World Intellectual Property Organization or yet recognized experts in the field of Intellectual Property (Academics, magistrates or lawyers for example), from various nationalities and profiles. The diversity of their origins reflects the European and multidisciplinary character of the training.

Tutors teaching on the Köln 2022- 23 course:

- Mr Budde
- Mr Debled
- Mr Escher
- Mr Marsman
- Mr Pott
- Mr Vöckel
- Mr Wolf

The team of the CEIPI International Section is at your disposal for any further information.

Local Organization

Coordinator:

Mr. Thomas POTT

dr.thomaspott@gmail.com

The course will start online via Zoom from September 12th 2022 until June 12th 2023.

Each course takes place from 17:00 to 20:00 via Zoom sessions centrally organized by CEIPI. The course language is German, except for the courses of Mr Marsman and Mr Debled (English).

The basic training provides future practitioners in the patent field with systematic and complete tuition on **the legal basis** as well as on **practice** in the area of European patent law. For many years now, **CEIPI** and **epi** have been jointly organizing a basic training in European patent law, principally aimed at future certified European Patent Attorneys.

The basic training is designed both to facilitate preparation for the European Qualifying Examination and to **accompany the practice of the profession**: future practitioners should commence the course as soon as possible after joining a patent firm or the patent department of a company. The list of topics allows to be admitted to most courses after the first year.

Usually, about 350 participants follow this course every year offered simultaneously in the following cities: Aachen, Antwerp, Basel, Barcelona, Berlin, Brussels, Bucharest, Budapest, Cologne, Copenhagen, Darmstadt, Dublin, Düsseldorf, Hanover, The Hague, Helsinki, Istanbul, Kraków, Lausanne, Lisbon, Ljubljana, London, Ludwigshafen, Lyon, Madrid, Manchester, Milan, Munich, Paris, Prague, Riga, Rome, Stockholm, Stuttgart, Ulm, Warsaw, Vienna, Vilnius, Zurich.

PROGRAMME

The list of topics to be covered encompasses the whole European patent law and qualifying examination syllabus and indicates the reference material to be used.
