### Programme - Paper C

**By Tuesday 16 January 2024**

**Mock exam Paper C 2023** (*no online session*)

The candidates will sit this paper individually under exam conditions: the first part within 3 hours followed by a 45 minute break, and the second part within 3 hours. The mock exam must comprise a Notice of Opposition complying with the requirements of the EPC.

The participants preferably prepare the mock exam with Wiseflow. The use of Wiseflow is however not compulsory, on condition that the mock exam paper is submitted in a text editor format.

**At the latest on Tuesday 16 January morning**, the candidates send their paper to the CEIPI secretariat by email ([sylvie.kra@ceipi.edu](mailto:sylvie.kra@ceipi.edu)) as pdf file so that the tutor will go through these papers to extract from them the general problems as well as the specific problems the candidates had, which will then be discussed on Wednesday 24 January 2024, together with the CEIPI Model Solution. In view of the limited time available it is unfortunately not possible for the tutor to provide an individual marking or private tutoring during the course.
