The course Online via Zoom will be from September 23rd 2024 until July 7th 2025, from 5 to 8 PM (Paris time).

The basic training provides future practitioners in the patent field with systematic and complete tuition on **the legal basis** as well as on **practice** in the area of European patent law. For many years now, **CEIPI** and **epi** have been jointly organizing a basic training in European patent law, principally aimed at future certified European Patent Attorneys.

The basic training is designed both to facilitate preparation for the European Qualifying Examination and to **accompany the practice of the profession**: future practitioners should commence the course as soon as possible after joining a patent firm or the patent department of a company. The list of topics allows to be admitted to most courses after the first year.

Usually, about 350 participants follow this course every year offered simultaneously in the following cities: Aachen, Antwerp, Basel, Barcelona, Berlin, Brussels, Bucharest, Budapest, Cologne, Copenhagen, Darmstadt, Dublin, Düsseldorf, Hanover, The Hague, Helsinki, Istanbul, Kraków, Lausanne, Lisbon, Ljubljana, London, Ludwigshafen, Lyon, Madrid, Manchester, Milan, Munich, Paris, Prague, Riga, Rome, Stockholm, Stuttgart, Ulm, Warsaw, Vienna, Vilnius, Zurich.

PROGRAMME:

The list of topics to be covered encompasses the whole European patent law and qualifying examination syllabus and indicates the reference material to be used.
