FOCUS IP PATENTS – WHAT IS IT?

Focus IP Patents is an annual continuous training cycle dedicated to patent law. It is intended for patent attorneys, attorneys, company lawyers, paralegals and for anyone dealing with patent law in her or his daily professional practice.

The modules are organized as monthly two-hour webinars, usually every first Friday of the month. They give the opportunity to patent practitioners to keep up-to-date on topics related to their professional experience. Each module is presented by recognized experts and deals with a specific topic of patent law.
