

**Introductory methodology course for the  
European Qualifying Examination 2027  
Paper M4**

**30 September (afternoon) and 6 November (morning) 2026 - online**

**Programme**

**Wednesday, 30 September 2026**

*The M4 methodology course takes place in the continuation of the introductory M4 seminar part on 30 September 2026, morning. Participants are supposed to also attend the M4 seminar.*

14:00 - 16.00                    - Guided solution of a greatly simplified M4 problem

**Before Friday, November 6, 2026 – Answering an M4 paper**

This is done on an individual basis – submitted answers will be briefly reviewed by a tutor (this is not about a detailed marking – the goal is to identify and correct systematic errors early on)

**Friday, 6 November 2026**

**Presentation and discussion of the answer**

08.30 - 10.15                    - discussion of the M4 practice paper  
                                         - discussion of common mistakes and misunderstandings

10.15 - 10.45                    - questions from participants  
                                         - end of course
